

MASTER OF EDUCATION - FULL-TIME (Distance Learning Program only)

2027 SUPPLEMENTAL APPLICATION

The Master of Education (MEd) program prepares educational leaders for diverse learning environments, including classrooms, schools, and other organizations. Graduates become exceptional teachers, leaders, and administrators. While many work in schools, school boards, and government roles, others pursue careers in higher education, professional sports, entrepreneurship, healthcare, social services, and business leadership.

Please note that the MEd degree does not meet the requirements for teacher certification in Ontario or other provinces. If your goal is to become a certified teacher, you will need to complete a Bachelor of Education (BEd) degree. We're happy to provide more information about Nipissing's BEd program—feel free to reach out our Admissions Department at admissions@nipissingu.ca.

For international applicants only, please note that this program does not meet the requirements for a Study Permit.

TRANSCRIPTS

Official undergraduate and graduate transcripts from all institutions attended, including those attended on a Letter of Permission or exchange program. High School or College (diploma/certificate programs) transcripts are not required. A copy of the transcript from an exchange program can be sent directly by your host institution to Nipissing University if they are willing to do so, otherwise an official transcript must be sent directly from the university where the exchange program was held. See the Document Submission section below for acceptable methods to submit official transcripts.

Current and Former Nipissing Students

- Current and former Nipissing students and/or graduates do not need to order or send Nipissing transcripts as we have them on file. However, if you attended Nipissing prior to 1992, you are considered a Laurentian University student and must request your transcript through Laurentian University.

Applicants with Canadian Credentials

- **Ontario:** The fastest and most effective way to send your official transcripts is by ordering them through the Ontario Universities' Application Centre (OUAC) when you apply. Otherwise, you will need to contact the institution(s) directly to request your transcript(s) and have them sent to Nipissing University by one of the methods listed in the Document Submission section below.
- **All Other Provinces:** You will need to contact the institution(s) directly to request your transcript(s) and have them sent directly to Nipissing University by one of the methods listed in the Document Submission section below.

Applicants with International Credentials

- If you have completed post-secondary courses at the undergraduate or graduate level outside of Canada or the U.S. (except from Exchange studies), you **MUST** have all your foreign transcripts evaluated by World Education Service (WES): www.wes.org/ca. A WES Credential Evaluation Report, including a Course-By-Course Evaluation Report (ICAP), must be sent directly to Nipissing University by the supplemental documentation deadline. This requirement cannot be waived. No exceptions.

CONFIDENTIAL RECOMMENDATIONS

Two (2) confidential academic recommendations from professors **OR** other appropriate professionals who can speak to the candidate's level of preparation and readiness for graduate studies. The referee must be qualified to address the academic ability and competence of the applicant to undertake graduate studies. References cannot be completed by anyone who is personally related to you as the applicant. **Recommendations must be confidential; therefore, they must be mailed in sealed envelopes with the referee's signature over the seal or emailed by the referee using their professional email address and sent directly to admissions@nipissingu.ca.**

The Confidential Recommendation forms are included at the end of this package. **Please indicate to your referee that a comprehensive letter of reference specific to this application (on business letterhead) must be included with the confidential recommendation form and will be used for admission purposes to determine your eligibility for the program.**

RESUME

A **comprehensive** résumé detailing your educational and professional experience. Please include scholarships and awards, significant academic accomplishments, internships, research projects, involvement in student organizations, volunteer work, language skills, and publications and presentations.

STATEMENT OF INTEREST

A typed Statement of Intent of between 1000 and 1500 words must be included. Statements should provide the following information:

- A description of your study and/or research interests (you might choose to identify four or five key words or phrases that relate to your proposed study);
- An explanation of how/why you became interested in this field of study;
- Awareness of peer reviewed research (minimum of 2-3 articles) in your intended field of study;
- Reasons for seeking admission into this particular program in the Schulich School of Education at Nipissing University; and
- The names of two or three faculty members with whom you would be interested in working with. Visit the Finding a Graduate Supervisor website at www.nipissingu.ca/school-graduate-studies/finding-graduate-supervisor to learn more about exploring research opportunities, identifying potential supervisors, and beginning the conversation about your graduate studies journey.

FACULTY ADVISORS AND RESEARCH SUPERVISORS

All Master of Education (MEd) students are admitted to the course route of the program and assigned a Faculty Advisor based on the names provided in your Statement of Intent.

Prior to submitting your application, you should review the information found on our Finding a Graduate Supervisor website at www.nipissingu.ca/school-graduate-studies/finding-graduate-supervisor. It is strongly encouraged that you contact your top choices for advisors(s) in advance of submitting your application to inquire whether they are accepting new graduate students for the next academic year and to discuss your specific research interests. Connecting with a potential supervisor is also a great way to learn more about a program, explore research opportunities, and determine whether your interests align. Identifying an advisor in advance assists with acquiring potential funding for your degree and gathering related research experience prior to entry into the program. It also provides you with a stronger chance of being considered for admission.

Once enrolled in the program, you may switch to a Major Research Paper (MRP) or Thesis option. Your Faculty Advisor and the School of Graduate Studies can assist you in finding a Research Supervisor and switching to the MRP or Thesis option. Contact sgs@nipissingu.ca for more information.

Applicants to programs offered by the School of Graduate Studies at Nipissing University whose first language is not English will be required to achieve the required proficiency level on one of the following tests of English language proficiency for admission consideration.
